# DIGITAL TOOLS FOR DIGITAL YOUTH

---

## Sifaka Project

<https://www.hirondelle.org/en/madagascar>

Studio Sifaka is a radio and web content production studio for young Madagascans. It offers a **daily 2-hour program**, the only of its kind in Madagascar, broadcast by a national network of **28 partners radio stations**. The program contains a national and regional **news program** as well as magazines and programs offering **advice and information**.

## Sahy program

<http://youthfirstmadagascar.org/en/current-projects/en-programme-sahy/?lang=en>

It aims to build a healthy and supportive environment for youth to reach their full potential through multiple interventions, to eradicate gender-based violence, reproductive health and family planning, menstrual hygiene management, online security issues, lack of data on young people in Madagascar.

The aims are to develop skills for the youngsters to promote healthy behavior, promote access to youth-friendly services, to develop full potential on young people. In this field, an interesting program to follow would be the **Youth Impact Lab**, which is a space for collaboration and experimentation with the mission of bringing technical and technological support necessary for young people with ideas, so that they can design and develop innovative and sustainable solutions to current societal problems and global challenges. The YIL provides training workshops for young people and youth groups / associations, webinars, and interactive discussions such as debates with the aim of building capacity and empowering youth initiatives.

## Program HARY

<http://youthfirstmadagascar.org/en/current-projects/en-hary/?lang=en>

It is a 5-days training program in entrepreneurship and business plan coaching. The young entrepreneurs with the best projects are provided with a funding and technical support to promote the financial inclusion of young people in rural areas

## Clubs Mahatsangy

<http://youthfirstmadagascar.org/en/current-projects/en-clubs-mahatsangy/?lang=en>

It is a youth structure composed of 25 clubs established in schools, which promote extracurricular activities for the development of the full potential of young people.

<https://www.ymca.int/member/ymca-in-africa/ymca-madagascar/>

Its main programs are:

**Increasing the orphans and vulnerable children and Young People’s resilience to AIDS**, which proposes many activities, such as peer education, dialogues, sports, recreation.

**Supporting vulnerable children in Ankazomanga**, in which 150 children by offering daily lunch during school day and giving scholarship. The project strategises to empower the parents to enable them to take care of their children. They are trained through capacity building workshops and introduced to micro credit or other institution to improve their income.

Pioneer Discipleship training school

<https://ywam.org/location/ywam-land-of-canaan/b-2218/>

It is a programme proposed by youth with a mission; it will offer hosting and training of the young people, also introducing all kind of workshops

Training workshops

[www.au.int](http://www.au.int) <https://au.int/en/announcements/20210902/call-applications-african-young-women-leaders-fellowship-program>

Organized by the African Union aims to equip outstanding young African women leaders with leadership skills and experience required to contribute effectively to decision making in public, private and multilateral institutions. The program will select 25 young African women to join the second cohort and it offers an array of interesting professional growth opportunities. It specially works through targeted leadership training and capacity development to promote the participation of young women in decision-making roles. It is a 12 months fellowship, which rests on 3 pillars: equipping young women with the leadership skills required to advance agenda 2063 and SDGs; creating a diverse pool of talent to enhance UNDP organizational efficiency and developing a network of African young women professionals that engages in promoting innovative, sustainable and inclusive development through development exchange.

Video Online, è possibile incollare il codice di incorporamento del video da aggiungere. È anche possibile digitare una parola chiave per cercare online il video più adatto al documento.

Temì e stili saranno in linea con il documento. Quando si fa clic su Progettazione e si sceglie un nuovo tema, le immagini, i grafici e la grafica SmartArt cambiano in base al nuovo tema.

ASPYEE

<https://www.nepad.org/skillsportalfor youth>

ATVET for Women (Agricultural Technical Vocational Education and Training) improves women’s employment and entrepreneurship through gender transformative approach. Promotes on-the-job, job-oriented, and informal training. It also promotes cooperation between training providers and the private sector. At country level, it partners with national ministries and agencies, agricultural training centers, women’s associations, and the private sector to empower and provide quality training. it brings experience and good practices on gender skills development from six AU states to the continental dialogue.

MTPC

<https://www.ncuk.ac.uk/where-can-i-study/madagascar-professional-training-centre/>

Madagascar professional training centre offers a university admission service. It provides quality education that meets students’ needs and requirements, such as courses of English, French, Malagasy and Computer for young learners and adults. The special courses are delivered all year round: one-to-one class, contract class, conversation class, tutoring, ESP and specialized courses for individual and corporate.

AAA

<https://padem.org/en/cause/madagascar-leducation-pilier-pour-lavenir-des-150-enfants-du-centre-dakany-avoko-ambohidratrimo-aaa/>

Education, a pillar for the future of the 150 children of Akany Avoko Ambohidratrimo proposed by PADEM. The specific objective is to prepare the 150 disadvantaged children placed in the center for a healthy future and to make them independent so that they can succeed in Malagasy society. Provision of food and education for 125 children and vocational training for 15 young people each year; organization of 12 parental education workshops per year to allow the return of children to the family home; organization of 6 recreational activities outside the center, per year, for children.

# EUROPEAN OPPORTUNITIES

[https://europa.eu/youth/about-us\\_en](https://europa.eu/youth/about-us_en)

The **European Youth Portal** offers European and country level information about opportunities and initiatives that are of interest to young people who are living, learning and working in Europe. It addresses young people, but also other stakeholders working in the field of youth (youth organisations, youth workers, policy makers, etc.).

**On the website:** You can find 4 main types of content on the European Youth Portal, each grouped in a specific section:

- Thematic pages related to EU youth policies: **“Get involved”**
- Thematic pages related to opportunities to go abroad: **“Go abroad”**
- EU-funded programme/initiative pages: **“EU initiatives”**
- Policy pages: **“EU Youth Strategy”**

# EUROPEAN YEAR OF YOUTH

[https://europa.eu/youth/year-of-youth\\_en](https://europa.eu/youth/year-of-youth_en)

2022 is the European Year of Youth, shining a light on the importance of European youth to build a better future – greener, more inclusive and digital. With plenty of opportunities to learn, share your vision, meet people and engage in activities all over Europe, the European Year of Youth is the moment to move forward with confidence and hope in a post-pandemic perspective.

# EUROPEAN COMMISSION ACTION

[https://ec.europa.eu/info/index\\_it](https://ec.europa.eu/info/index_it)

Discover the EU strategy, its role in setting priorities, and its implementation through EU policy. Find out how to **live**, **travel** and **work** in EU, how to obtain **funding** and **tenders** for your research and innovation, and more.

# ERASMUS + PROGRAMME

<https://erasmus-plus.ec.europa.eu/it/cose-erasmus/cose-erasmus>

Erasmus+ is the EU's program to support education, training, youth, and sport in Europe. The 2021-2027 programme places a strong focus on social inclusion, the green and digital transitions, and promoting young people's participation in democratic life. It supports priorities and activities set out in the European Education Area, Digital Education Action Plan, and the European Skills Agenda.

DIGITAL TOOLS FOR DIGITAL YOUTH

IMAGES & ICONS

<https://www.flaticon.com/>

FLATICON

If you need a new logo or an icon for you website or social network page, FLATICON is what you need. Download free icons and stickers for your projects. Resources made by and for designers. PNG, SVG, EPS, PSD and BASE 64 formats

FREEPIK

<https://it.freepik.com/>

Free graphic resources for everyone! Here you can find images, graphics, and PSD which can be useful to create your posts.

UNSPLASH

<https://unsplash.com/>

The internet's source of freely-usable images.

Powered by creators everywhere.

Unsplash allows photographers to upload photos to its website, which are then curated by a team of photo editors.
